

3 Quad LED Floodlight

The better, brighter floodlight

FEATURES

This luminaire is designed for outdoor lighting applications where a directed light source is required.

Powered by a separate solar array, ideal for billboards, sign lighting, building security and other floodlight applications.

Max Lite™ reflector maximizes LED light output.

Maintenance free, vandal-resistant construction.

Installs quickly and easily.

SPECIFICATIONS

Sol® design and engineered for use with 3Q 45-watt LED light source.

Enclosed, gasketed top.

High strength, powder-coated aluminum housing.

Standard ½” pipe mounting or knuckle slipfitter (as shown) for 2-3/8” tenon.

Tempered glass lens.

Suggested mounting height: 4 to 20 feet.

Fixture	Dimensions Length x Width (inches)	EPA @ 45 degrees (Effective Projected Area)	Weight (pounds)
Sol 3Q LED Floodlight	19 x 5.5	0.73 sq. ft.	8 lbs.
